WE ARE ALL PRETTY ON THE INSIDE

This tasty hop-forward beer has a nice malt backbone without every feeling full. We use Citra hop pellets, and Citra hop oils to squeeze out all that hoppy goodness.

bitter. This doesn't drink
like it is 6.3%, and
it rocks!

Our Kolsch is very traditional in every way. From the malt bill to the mashing process. It drinks like a lager with just a snap of herbaciousness from the hops.
